

Webinar "Why Microbiomes Matter for You and the World Around You"

27/06/2025

This free, one-hour webinar will explore common "microbiome myths" and showcase tangible examples of how they influence our health. Whether you are a microbiome enthusiast or a curious beginner, we welcome you to join our world of microbes – and sit at the table!

Date: 27 June 2025

Time: 14:00 - 15:00 CEST

Where: Online via Zoom
