

**WORKSHOP ON
THE CONSERVATION OF THE SUBTERRANEAN
CULTURAL HERITAGE**

Seville, Spain

25-27 March 2014

ORGANIZED BY

TECHNOHERITAGE

**SPANISH NETWORK OF SCIENCE AND TECHNOLOGY
FOR THE CONSERVATION OF CULTURAL HERITAGE**

First and last Circular and call for papers

On behalf of the Organizing Committee, we are pleased to invite you to attend the Workshop on the Conservation of the Subterranean Cultural Heritage, to be held in Seville, Spain. The workshop is organized by the Spanish Network of Science and Technology for the Conservation of Cultural Heritage (TechnoHeritage).

The objective of the workshop is to promote an interdisciplinary forum for discussion on all aspects on the conservation of the subterranean cultural heritage, providing at the same time an up-to-date and comprehensive picture of the state-of-the-art of most recent investigations.

The ultimate aims is to strengthen the foundation of scientific and technological research, overcoming the barriers of exchanging information that not always is published in scientific journals.

The participation of researchers and professionals from the archeology-history-conservation-maintenance-restoration areas and the architectural-sciences-engineering areas will stimulate cooperation and integration between otherwise heterogeneous fields.

The official languages of the Congress are English/Spanish with simultaneous translation. In addition to the invited lectures two poster sessions will be scheduled. Poster size: 90 cm x 120 cm. Length of the papers from poster communications: six pages (see attached template).

A Workshop proceeding (English) will be published and a copy of the book will be sent to full delegates around eight months after the Workshop. The book will include the invited lectures and the posters presented at the Workshop. The publication of communications cannot be guaranteed if the deadline is not met and the registration fee paid.

The manuscripts should be sent to the address: saiz@irnase.csic.es before the workshop commencement or directly delivered at the Secretary during the Workshop. The Workshop will be printed by CRC Press/Balkema, Taylor and Francis Group, a premier publisher of scientific and technical books and will be included in their international catalogue. Instructions on the preparation of manuscripts and template are attached to this call.

Deadlines

January 15th-February 28th, 2014 – Payment of registration fee

February 15th, 2014 – Deadline for preliminary registration and sending of one-page abstract

March 26th, 2014 – Deadline for the reception of manuscripts at the Workshop Secretary

Only the communications received before March 27th, 2014, and whose authors have paid the registration fee will be included in the proceedings. This deadline is absolutely strict.

The venue will be at Hotel Sevilla Palmera, 28 Cardenal Ilundain street, 41013 Seville, a four stars hotel, which offered a competitive price for workshop participants. All sessions, coffee breaks, and lunches will be organized at the hotel.

Hotel booking at Congress Division, Viajes El Corte Inglés, Phone: 00 34 95 450 6605, e-mail: sevillacongresos3@viajeseci.es, contact persons: Laura de la Rosa or María Carmona.

Registration Fees*

Full delegate: € 150 (including congress program, coffee breaks, lunches, social dinner, workshop proceedings and visit to the Roman necropolis of Carmona)

Local organization

Cesáreo Sáiz Jiménez, Instituto de Recursos Naturales y Agrobiología de Sevilla, CSIC.

Miguel Angel Rogerio Candelera, Instituto de Recursos Naturales y Agrobiología de Sevilla, CSIC.

All scientific questions concerning this workshop, including abstracts and registration form, should be addressed to Prof. Cesareo Saiz-Jimenez, e-mail: saiz@irnase.csic.es

All requests concerning trips, hotel booking, registration fee, etc. should be addressed to: Congress Division, Viajes El Corte Inglés, Phone: 00 34 95 450 6605, e-mail: sevillacongresos3@viajeseci.es, contact persons: Laura de la Rosa or María Carmona
