- 50 things that made the modern economy (podcasts on economics) <https://www.bbc.co.uk/programmes/w3csz2wl>
- Simon Evans goes to market (podcasts on economics) <https://www.bbc.co.uk/programmes/m00051lf>
- Enron: the smartest guys in the room (documentary) <https://youtu.be/H2f7FunDuTU>
- Milton Friedman. I, pencil (monologue) <https://youtu.be/67tHtpac5ws>

TEACHING METHODS

- MD01 - Face-to-face teaching in the classroom
- MD02 - Individual work by the student; retrieval, consultation and processing of information; problem solving and practical case studies; and completion of assignments and presentations
- MD03 - Individual and/or group tutoring and evaluation

ASSESSMENT METHODS (Instruments, criteria and percentages)

ORDINARY EXAMINATION DIET

Continuous evaluation:

- Examinations and tests – physical and/or online: - 60%
- Other evaluable activities (attendance, participation, practical activities, coursework, tests, oral evaluation) – physical and/or online – 40%
- Students are required to obtain at least 50% in the examination and 40% in other evaluable activities.
- The overall pass mark is 5/10.

Ordinary exam:

- The exam consists of multiple choice questions and short essays

EXTRAORDINARY EXAMINATION DIET

Extraordinary exam

The exam consists of multiple choice questions and short essays

SINGLE FINAL ASSESSMENT (evaluación única final)

Students should apply in advance to the Director of the department

See procedure and requirements in <http://economia-aplicada.ugr.es/> to apply for this mode of evaluation

Final exam (written and/or oral, either physical or online) 100%

ADDITIONAL INFORMATION

STUDENTS WITH DISABILITIES AND SPECIAL NEEDS:

The Department of Applied Economics <http://economia-aplicada.ugr.es/>, in accordance with the Regulations for the attention to students with disabilities and other specific educational support needs (approved by the Governing Board of the University of Granada on 20th September 2016) will promote the right to education under conditions of equal opportunities to students with disabilities and other specific educational support needs. The necessary assistance actions will be established to achieve their full and effective inclusion, guaranteeing their right to inclusive education, in accordance with the principles of non-discrimination, equal opportunities and universal accessibility, so that they can achieve the maximum possible development of their personal and , in any case, the objectives established in general for all students. Likewise, according to article 11 current Rules for Assessment of students at the University of Granada, the evaluation systems will be adapted to students with disabilities or other specific needs of educational support, guaranteeing in any case their rights and favouring their inclusion in university studies.
